

Randy W. Sanders

I am Randy Sanders and I live in Reading, Michigan. I have raised Suffolk sheep for over 20 years. I bought my first ones from Fred Shiery in 1988.

Debbie and I have been married for nearly 36 years. We have 3 adult children, Denise, Roxanne, and Sarah. Sarah is past president of the National Junior Suffolk Association. I have been the owner and president of Sanders Insurance Agency, Inc. for the past 30 years. Insurance is my primary occupation but I also am an owner in several other companies, including a wireless Internet provider called DMCI Broadband. I have served for twenty five years as president of our local economic development board and currently serving as trustee of the Reading Community Schools Board of Education. Also I am president of the Michigan Suffolk Breeders Association,

Over the past 22 years I have learned a thing or two about raising and showing sheep, but I do not pretend to be as knowledgeable as many of my fellow breeders. However my years of experience has taught me a lot about running a successful business or organization

It is my love for the breed that has persuaded me to run for District 4 director. I will conduct myself with civility and professionalism. I am strong in my convictions, but can also respect a different opinion.

The Juniors are the life blood for the future of the Suffolk breed. The Junior Show promotes that as well as teaching our children leadership skills. That is why Debbie and I have been strong supporters of the National Junior Suffolk show, and will continue to do so if elected to our national board.

I am asking for your vote.
