Instructions for Registrations

Use a separate form for dams recorded in different ownerships.

Breeder

The breeder is the recorded owner of the dam at the time she was bred.

Membership Name-list the exact name, as it appears on the dam's certificate of registration, of the person who owned the dam at the time she was bred.

Phone Number-list a daytime telephone number.

Owner

The owner is the recorded owner of the dam at the time she lambded.

Membership Name-list the exact name, as it appears on the dam's certificate of registration, of the person who owned the dam at the time she lambded.

Phone Number-list a daytime telephone number.

Private Flock Name

The private flock name is the name the owner of the animal being registered, has chosen. For example, if John Doe owned the dam at the time she lambded, his flock name, Doe Suffolks, would be listed.

Leave Blank

This box is for office use only.

Private Flock Number

This is the number in the ear of the animal being registered. For example, Gr 98-101. Do not list the private flock name with the private flock number.

Permanent ID

List the location, type and number of permanent identification:
BET: Both ears tattoo; RET: Right ear tattoo; LET: Left ear tattoo;
BFT: Both flanks tattoo; RFT: Right flank tattoo; LFT: Left flank tattoo; EID: Microchip/Electronic ID
For example- RET:MI09/LET:133H-this means that the right ear tattoo is MI09 and the left ear tattoo is 133H.

Birth Date

List the complete birth date (month, day, and year) of each animal being registered.

Birth Type

List the birth type codes as: S=single, TW=twin, TR=triplet, QD=quadruplet, QT=quintuplet, ET=embryo transfer.

Sire Flock Name & Number

List the private flock name and number, as it appears on the certificate of registration, of the ram that sired the animal being registered.

Sire Registration No.

List the registration number of the sire of the animal being registered. If the owner of the sire is different, provide a breeding certificate.

Dam Flock Name & Number

List the private flock name and number, as it appears on the certificate of registration, of the mother of the animal being registered.

Dam Registration Number

List the registration number of the dam of the animal being registered.

AI-Artificial Insemination

Place a check mark in this column if the animal being registered was a result of artificial insemination.

Date of Sale

If you sold the animal being registered, list the complete date of sale (month, day, and year). Leave blank if the animal being registered was not sold.

Exact Name and Address of Purchaser

It is extremely important to list the purchaser's name exactly how they request it. This will prevent non-member charges if they are a USSA or UJSSA member.

Signature

The owner of the dam(s) or an authorized representative's signature is required.

Breeding Certificate

If the sire of the animal being registered is not in the same ownership of the dam, then a breeding certificate from the recorded owner of the sire, is required. The owner of the sire may fill out the breeding certificate form, at the bottom of this page or the owner may sign a statement or a breeding certificate form (obtained from the USSA) will be accepted.

Payment

Please send payment in full to United Suffolk Sheep Association, P.O. Box 256, Newton, UT, 84327. USSA policy states that work cannot be released if full payment is not made.

Applications for registration may be faxed to 435-563-9356, however, payment must be received before the USSA will release the registry work. We do accept Visa, MasterCard, Discover for your convenience. Faxed applications will be put in line for processing with regular mail unless you indicate "RUSH", which then rush fees in addition to regular registration fees will apply.

Breeding Certificate (leased or borrowed sire)

I hereby certify that my ram, _____ serviced the ewes listed on the
Private Flock Name and Number and Registration Number

reverse side of this form, from _____ to _____.

Signature of the recorded owner of the sire
